

KSHIROD KUMAR SAHOO
DHENKANAL
ODISHA
759146

Email : kshirodsahoo2003@gmail.com

Mob : 9692312731

CARRIER OBJECTIVE: -

To seek a challenging Carrier in an Organization that provides opportunity to use my skills innovatively and learn new technology to help me grow along with the company.

TECHNICAL SKILLS: -

- CORE JAVA and ADVANCE JAVA and SPRING BOOT and PHP
- MYSQL database and Backend development
- HTML, CSS, JS

ACADEMIC RECORDS :-

1. Name : B.Tech (Bachelors Of Technology in Computer Science Engineering)

Board/University : Biju Patnaik University of Technology, Odisha

College : Indira Gandhi Institute Of Technology, Sarang

Year : 2023-2027

CGPA : 9.22 (Average till 6th semester)

2. Name : CHSE

Board/University : Council of Higher Secondary Education, Odisha

College : Upendra Nath College, Soro

Year : 2021

Percentage : 87.67

3. Name : BSE

Board/University : Board of Secondary Education, Odisha

School : Krushna Charan Vidya Mandir, Agarpada

Year : 2019

Percentage : 85.33

CERTIFICATIONS & ACHIEVEMENTS :-

- Qualified GATE 2026 (Computer Science Engineering)
- Qualified NEST in 2023
- Ex-Trainee at Electronics & Radar Development Establishment (LRDE), DRDO, Bengaluru
- Completed the training course on Core Java and Advance Java in Java Technocrat.
- Done course cum Internship on Web Development by AcmeGrade in collaboration with IIT Bombay
- Got the Recommendation Letter from AcmeGrade Pvt. Ltd.
- Completed Online Course on AI Tools and its usage
- Participated in Horizon Hackathon 2025 of Indira Gandhi Institute Of Technology, Sarang
- Got 1st prize in a National Level Quiz competition sponsored by the National Biodiversity Authority
- Participated in national level ICSI quiz competition
- Got 1st prize in National Voters Day
- I have got 4 times Best Student of the school and topper of the school throughout my school student chapter
- Participated in webinar on Sensing without sensor.

PROJECT: -

ASTERIX CAT240 RADAR DATA PROCESSOR AND TARGET TRACKER

Tech Stack: Python, OpenCV, NumPy, OpenCV Kalman Filter, Math (math), Regular Expressions (re), EUROCONTROL ASTERIX CAT240 (Video Report Format)

- Engine & pipeline to parse, filter, and visualize raw ASTERIX CAT240 radar telemetry in real time.
- Adaptive noise floor thresholding and spatial clustering to extract high-confidence target detections.
- Embedded OpenCV 2D Kalman Filter with dynamic process covariance for continuous multi-target state estimation.
- Synthetic PPI display rendering motion vectors, velocity profiles, and amplitude-tier classifications.

VartAlaap

Github

- Developed a **real-time chat application** enabling **instant communication** using **WebSocket** technology.
- Built the system using a **full-stack** approach (**HTML, CSS, JavaScript, and Spring Boot**) ensuring smooth frontend-backend integration.
- Implemented features like multiple **chat modes (work, personal, study, AI)** and live online user tracking.
- Integrated an **AI chatbot** to provide intelligent, real-time responses.
- Designed a **responsive and user-friendly** interface optimized for **both mobile and desktop** experiences.

PERSONAL DETAILS: -

Name	:	Kshirod Kumar Sahoo
C/O	:	Tapan Kumar Sahoo
Date of Birth	:	11 th Aug 2003
Marital Status	:	Single
Sex	:	Male
Nationality	:	Indian
Languages	:	English, Hindi, Odia
Permanent Address	:	At: Charigan, Post: Anijo, Via : B.T.Pur, District: Bhadrak, Pin: 756115, Odisha

DECLARATION: -

I hereby declare that the above mentioned Information are true to the best of my knowledge and belief.

Place:IGIT,SARANG
Date:09.08.2026
